Submitted papers must be original, unpublished, and not submitted to another conference or journal for consideration for publication. Papers must be written in English; they should be at most 14 pages long in total. **Each paper will receive at least three reviews.**

Accepted papers will be presented at the conference and published in the conference proceedings by the official IFIP publisher: Springer Science and Business Media.

At least one author of each accepted paper is required to register with the conference and present the paper. Papers must be submitted using the EasyChair conference management system at:  
[https://www.easychair.org/conferences/?conf=sec2013](https://www.easychair.org/conferences/?conf=sec2013)

After the conference, extended versions of selected papers will be considered for publication in “Computer & Security” and “Journal of Critical Infrastructure Protection” journals. Those papers will undergo at least another review round.

**Deadline for submissions: Friday, 25 January 2013**
Deadline for submissions: **25 January 2013**
Submission via www.easychair.org/SEC2013
Conference website: www.sec2013.org (under construction)
