

WISE

# WISE15

The 15<sup>th</sup> World Conference on Information Security Education  
13<sup>th</sup> to 15<sup>th</sup> June, 2022

Hosted by IFIP TC11 WG 11.8 (Information Security Education)  
In conjunction with the 37<sup>th</sup> IFIP TC-11 SEC 2022 International  
Information Security and Privacy Conference  
Copenhagen, Denmark

The **IFIP Working Group 11.8 - Information Security Education** will hold the fifteenth World Conference on Information Security Education (WISE15) in order to advance the state of computer security and information assurance education throughout the world. To that end, we invite practitioners, researchers, policy makers, and others from academia, industry, and government to submit papers for presentation and topics for working group discussions to WISE15. We will organize the conference around paper presentations and potential working group topics. All presentations and discussions will be in English.

WISE15 will be held in conjunction with the 37<sup>th</sup> IFIP TC-11 SEC 2022 International Conference on Information Security and Privacy Protection. See the WISE15 web site at <http://www.ifiptc11.org/wg118-events/WISE15> for more information about WISE15 and the 37<sup>th</sup> IFIP SEC2022 web site see <https://ifipsec2022.compute.dtu.dk/>.

The theme for WISE15 is "**Information Security Education - Adapting to the Fourth Industrial Revolution**". We solicit submissions on all relevant topics including, but not limited to:

- Emerging Trends and Holistic Approaches in Information Security Education
- Cyber Ethics, Cyber Security Education and Training the Cyber warrior
- Education of Information Security Professionals
- Education in Computer Forensics and the Law
- Education in Security-Related Data Science and AI/ML
- Education in Secure Wireless Communications
- Education in Critical Information Infrastructure Security
- Ethical Hacking Education
- Education in Secure e-Banking and e-Commerce
- Education in the Internet of Things Security
- Education in Financial and Economic Security
- New Programs in Security and Privacy Education
- Experimental Information Security Education and Training
- Information Security Curricula Guidelines
- Evaluation of Security Programs
- International Standards of Security Education and Assessment
- Security Certification Programs
- Professional Competencies in Security
- Informing Citizens in Information Security and Programs to Raise Information Security Awareness
- Information Security Education in Non-Academic Contexts
- Information Security Laboratories
- E-Learning for the Listed Areas of Security Education

The conference will feature general paper sessions and a working group session.

- **Paper submissions** should follow the guidelines for full paper submission using the template that can be found at <http://www.ifiptc11.org/wg118-events/WISE15#authors-guideline>. Papers are to be submitted through EasyChair at <https://easychair.org/my/conference?conf=WISE15>. The submissions for WISE15 will be reviewed separately from IFIP SEC2022. Accepted papers will be published in the WISE15 conference proceedings. Papers must be original work, not previously published, written in English, and at most 14 pages long including references and appendices. All submissions will be reviewed double blind and must be submitted in a blinded version (author and institution information removed). Submission instructions are available on the conference website. Acceptance will be based upon originality, contribution to the field, and relevance to the conference. The conference proceedings will be published under the *IFIP Advances in Information and Communication Technology Series* by Springer (with ISBN and indexed in Scopus) and distributed at the conference.
- **Submissions for working group topics** should describe in no more than 500 words the topic of the working group, its relevance to IFIP TC11 WG11.8, the goals to be achieved during WISE, and the plans for continued collaboration after WISE.
