WISE2024

The 16th World Conference on Information Security Education
12th to 14th June 2024
Hosted by IFIP TC-11 WG 11.8 (Information Security Education)
In conjunction with the 39th IFIP TC-11 International Conference on
Information Security and Privacy Protection
Edinburgh, UK
The conference is planned as an on-site event
as on the SEC website https://ifipsec2024.co.uk/

The **IFIP Working Group 11.8 - Information Security Education** will hold the 16th World Conference on Information Security Education (WISE2024) in order to advance the state of computer security and information assurance education throughout the world. To that end, we invite practitioners, researchers, policy makers, and others from academia, industry, and government to submit papers for presentation and topics for working group discussions to WISE2024. We will organize the conference around paper presentations. All presentations and discussions will be in English.

WISE2024 will be held in conjunction with the 39th IFIP TC-11 International Conference on Information Security and Privacy Protection (IFIP SEC 2024). More information can be found on the WISE2024 (https://www.ifiptc11.org/wg118-wise) and IFIP SEC 2024 (https://ifipsec2024.co.uk/) websites.

We solicit submissions on all relevant **Information Security Education** topics including, but not limited to:

- Artificial Intelligence in Cybersecurity and/or Education
- Cyber Resilience for Nations and Citizens
- Emerging Trends, Technological Advances, and Holistic Approaches in Information Security Education
- Serious Games or Gamification
- Cybersecurity Mindset

The conference will feature general paper sessions and a working group session.

- **Paper submissions** should follow the guidelines for full paper submission using the template that can be found at https://www.ifiptc11.org/wg118-wise#authors-guideline-3. Papers are to be submitted through EasyChair at https://easychair.org/conferences/?conf=wise2024. The submissions for WISE2024 will be reviewed separately from IFIP SEC 2024. Accepted papers will be published in the WISE2024 conference proceedings. Papers must be original work, not previously published, written in English, and at most 14 pages long including references and appendices. All submissions will be reviewed double blind and must be submitted in a blinded version (author and institution information removed). Submission instructions are available on the conference website. Acceptance will be based upon originality, contribution to the field, and relevance to the conference. Conference proceedings will be published under the *IFIP Advances in Information and Communication Technology Series* by Springer (with ISBN and indexed in Scopus).
- **Submissions to present only**: Early Stage Research, Innovative Courses, Panel Discussions, and Primary/Secondary Education perspectives are also welcome and should be submitted in no more than 500 words to the Conference Secretariat for review by the event organizing committee. A record will be published on the IFIP WG 11.8 website.
